Hi Michael

Happy New Year. Thanks for the note and agenda. I'm operating off my phone. Long story but will be back on line next week but I'm traveling to Denver and Omaha for my Libby project.

Feel free to call if you have any questions

Hi Mike,

Hope you had a nice holiday season and are getting back into the swing of things. I just wanted to touch base because I know we have a pretty important meeting coming up at CFAC in a few weeks.

Not sure if you had a chance to see the agenda that Gunnar and I worked on together. If not, I've attached it here.

I assume the bulk of the meeting will be a discussion around the risk assessment work plans and the Phase II scope of work. If possible, it would be great to see the EPA/DEQ comments on the risk assessment plans in advance of the meeting. It will allow Roux and CFAC to be more prepared for a productive discussion.

Hope all is well.
